

I9 SPORTS NORTH HILLSBOROUGH AND PINELLAS

Winter Newsletter Week 2

This newsletter is available in your email and in your messages on your online account at i9sports.com.

WEEKLY UPDATE

Ben Hill Middle School

We saw some great match ups in **Week 2** in Flag Football and Soccer! Team names are online so please check in using your team name for a speedier check-in process. One of our favorites is the *Dinosaurs* for T-ball Team 1!

Cheerleaders received their uniforms and we can't wait to see their routines created by Coach Gabrielle.

Taleshia, Ben Hill site manager, and the rest of our staff can't wait to greet you Saturday!

Have some pictures from the fields?

Send them in to Madison at madison.cox@i9sports!

You may see your player here next week.

Oldsmar Sports Complex

Unfortunately Oldsmar week 2 was cancelled due to weather conditions. The weather hotline is 813-667-7246. We have added an additional week to

the end of season.

If you have any questions, please email Madison at madison.cox@i9sports.com.

Northdale Park

Opening Day for the Winter 2019 Northdale Park Basketball Season was extraordinary! We debuted our brand new red and grey jersey tanks, players got to meet their coaches, and the gym was packed with fans!

The top left picture is Ref Erin. Our staff loves meeting our players and families, so get to know our refs and site manager!

The reffing will be getting stricter every week as we introduce new skills and fouls they are focusing on. We encourage the players to ask questions just as shown above with Erin and one of our Pee Wee Basketball teams.

February 2/3
Sportsmanship Value

Courtesy

We can show courtesy by :

- Helping another player up off the ground.
- Wishing the other team good luck before the game.
- Shaking the other team's hands after the game and congratulating them on a good game.
- After the play has finishing, handing the ball to the referee instead of throwing it on the ground
- Listening when someone is speaking to you.
